

The Government has announced urgent measures to help slow the spread of Coronavirus (COVID19) in the UK.

You should only leave the house for very limited reasons:

- shopping for basic necessities, for example food and medicine, which must be as infrequent as possible
- one form of exercise a day, for example a run, walk, or cycle - alone or with members of your household
- visit your GP or local health services including the dentist
- to provide care or to help a vulnerable person, this includes getting food or medicines for them
- help the NHS by donating blood
- leave your house to avoid injury or illness
- travelling to and from work, but only where it is not reasonably practicable to work from home

We appreciate your support and understanding.

Mae'r Llywodraeth wedi cyhoeddi mesurau brys er mwyn arafu lledaeniad Coronafeirws (COVID19) yn y DU.

Dylech ond adael y tŷ am resymau cyfyngedig iawn:

- siopa am hanfodion, er enghraifft bwyd a moddion, mor anaml â phosibl
- un math o ymarfer corff bob dydd, er enghraifft rhedeg, cerdded neu feicio - ar eich pen eich hunain, neu gydag aelodau o'ch cartref
- ymweld â'ch meddyg teulu neu wasanaethau iechyd lleol gan gynnwys y deintydd
- i ddarparu gofal neu i helpu person bregus, mae hyn yn cynnwys mynd i nôl bwyd neu foddion iddyn nhw
- helpu'r GIG drwy roi gwaed
- gadael eich cartref i osgoi anaf neu salwch
- teithio i ac o'r gwaith, ond dim ond pan nad yw hi'n ymarferol rhesymol i weithio o adref

Rydym yn gwerthfawrogi eich cymorth a'ch dealltwriaeth.
